

NPSF3**SINGLE TABLE TOP ELECTRIC FRYER**

With no need for hardwiring, the NPSF3 single table top electric fryer is a powerful 3kW deep fryer ideal for professional catering establishments. The large capacity 9 litre tank enables up to 14kg of chilled chips to be cooked every hour, and the fryer is also suited to seafood, doughnuts, chicken and more. Combining stainless steel construction with simple thermostat controls and automatic safety shut-off, the unit is responsive and easy to clean.
